

university is working for entire state comprising 33 districts in all the three agro-climatic zones. The university is known nationally and internationally for its rice research especially in rainfed ecosystem and large germplasm collection of rice and Lathyrus. It conducts the region specific basic and strategic research and transfer of technology apart from quality agricultural education to the farming community of the state. Currently university offers UG, PG and PhD programme in all the subjects of Agriculture, Horticulture and Agricultural Engineering.

Tentative programme of the conference

September 4th, 2023

08:30 am onwards : Registration

09.30 am : Inaugural ceremony

11:00 pm to 04:30 pm : Technical session and poster presentation (Lunch in between programme)

04:30 pm to 06:00 pm : Concluding session and closing ceremony

Dinner : 8:30 pm onwards

Venue: Swami Vivekanand Auditorium, IGKV, Raipur

For further details and enquiries, please contact to :

Chairman

National Conference on Climate resilient technologies & value addition of oilseeds

September 4th, 2023, Raipur, Chhattisgarh

Registration Form

Name : Designation :

Sex (M/F) : Organization :

Mailing Address: Telephone: (O)

Email : Cell:

Accompanying Person (if any):

Whether participating in the Conference:

Yes/No.....

Whether presenting a paper: Yes / No

Paper : Oral / Poster

Title of Paper:

.....

Whether participating in the Exhibition: Yes/No

Particulars of Registration Fee : Registration fees paid in the form of Cash/

Cheque / DD / RTGS Amount Rs..... (In words).....

D.D. No..... Date:

Bank:.....

Signature of Participant

Steering committee:

Patron

Dr. Girish Chandel

*Vice chancellor, IGKV
Raipur (C.G.)*

Dr. T.R. Sharma

*Deputy Director General
(Crop Science)
ICAR, New Delhi*

Dr. Sanjeev Gupta

*ADG (Oilseeds & Pulses),
ICAR, New Delhi & President,
ISOR*

National Advisory Committee

Dr. D.M. Hegde, Former Director, ICAR-IIOR Hyderabad (T.S.)

Dr. DK Yadav, ADG, Seed, ICAR, New Delhi

Dr. P.K. Ghosh, Director, NIBSM, Raipur (C.G.)

Dr. A.S. Nain, Director of Research, GBPUA & T, Pantnagar (UK)

Dr. P. K. Rai, Director, DRMR, Bharatpur (Raj.)

Dr. Kunwar Harendra Singh, Director, ICAR-IISR Indore (M.P.)

Dr. Sandip Kumar Bera, Director, ICAR-DGR, Junagarh (Gujarat)

Dr. M. Sujatha, PS & Head (CI), ICAR-IIOR, Hyderabad (T.S.)

Dr. N. Mukta, PC, AICRP-Safflower, IIOR, Hyderabad (T.S.)

Dr. A.L. Rathnakumar, PS & PC, AICRP Linseed, IIOR, Hyderabad (T.S.)

Dr. Rajani Tomar, PC, Sesame and Niger, JNKVV, Jabalpur (M.P.)

National Conference on Climate resilient technologies & value addition of oilseeds

September 4th, 2023
Venue : IGKV, Raipur
Chhattisgarh

Jointly Organized by
ICAR-Indian Institute of Oilseeds Research, Hyderabad
Indian Society of Oilseeds Research, Hyderabad
Indira Gandhi Krishi Vishwavidyalaya, Raipur, Chhattisgarh

National Conference on Climate resilient technologies & value addition of oilseeds

Theme

The conference theme is to address the major issues that are limiting the production of vegetable oils under changing climate and develop strategies to overcome these issues and achieve an enhanced production as well as value addition of oilseed crops.

Background

The demand for edible oil in the country will be 29.02 and 40.89 million tonnes for 2025 and 2050, respectively. Under this challenging situation, there is a necessity to build convergence and co-operation among all the national and international stakeholders and agencies involved in production, procurement, aggregation, processing, and marketing of vegetable oils including value addition to develop a strategic roadmap to address all the issues plaguing vegetable oil economy in the thrust area of country. In this backdrop, IGKV, Raipur (CG) and ICAR-Indian Institute of Oilseeds Research (IIOR) and other societies engaged with vegetable oil research are jointly organizing the **National Conference on Climate resilient technologies & value addition of oilseeds** on 4th September, 2023 at IGKV, Raipur (CG).

The conference is envisaged to be a convergent point for priority persuasion and provide a platform to deliberate on research strategies, climate resilient technologies and policy perspective to promote increased vegetable oil production and value addition on short, medium and long term basis at national levels. Several invited talks, plenary talks, contributory oral as well as poster presentations and technology exhibitions are planned during the national conference. The event will be organized in association with organizations associated with oilseeds research, production and value addition.

Key features of the conference

- Oral and poster presentations on various oilseed crops and value addition from researchers and entrepreneurs.
- Brainstorming sessions and panel discussion along with sharing of the experiences of the stake holders in sustainable production and value addition of oilseeds to increase the Farmer's Income.
- Field visits.

Themes of the conference :

Theme 1: Climate resilient agro management strategies for productivity & profitability of oilseeds.

- Advance agro-management techniques.
- Resource and conservation agriculture management.
- Climate resilient and emerging eco technologies.

Theme 2: Advances in oilseed crop improvement towards self sufficiency.

- Plant genetic resources.
- Modern breeding approaches and molecular tools for climate resilience.
- Seed production standards and limitations.

Theme 3: Management strategies for biotic and abiotic stresses in oilseeds.

- Management strategies for insects & diseases.
- New paradigms in pest management.

Theme 4: Value addition and quality improvement for oilseeds.

- Improving oil quality and stability, biofortification & fortification in edible oil.

Theme 5: Market driven approaches for oilseeds growers.

- Value chain development, marketing strategies, startup and innovative models.
- Explore alternate sources of oil.
- Industry-academia-government interface, FPO's and PPP.

Call for papers

Papers are invited covering recent trends in the sub-themes.

Submission of abstract and full length paper

The authors are requested to submit an abstract of their research of not more than 300 words, clearly stating the background and objective of the research, brief methodology, preliminary results and highlights of outcome.

The full length paper will have abstract, introduction, methodology, results, conclusion and references limited to 10-20 typed pages in A4 sizes paper (in MS Word format, font Times New Roman, 12 size font, 1.5 spacing) including text, figures and tables etc. The author will have to follow the guidelines of Journal of Oilseeds Research, available on <https://isor.in> for preparation of full length paper. The paper can be submitted through Email on following address : **oilseeds2023@gmail.com**. The last date for submission of the full length paper is 20.08.2023. All accepted abstract & full length paper will be published in the form of book and distributed during the conference.

Important dates

Last date for submission of Abstract and full length paper	20/08/2023
Abstract Acceptance Communication to Authors	22/08/2023
Start of Registration	25/08/2023

Conference (4th September, 2023) registration fee detail

Participants	Early bird registration (upto 30 th Aug. 2023)	Late registration (upto 3 rd Sept. 2023)
Delegates from Research / Educational/ Govt. institution/ NGOs	INR 2500	INR 2700
Students (PG/PhD/Research Scholars)	INR 1500	INR 1700
Industry and private organizations	INR 5000	INR 7000
Spouse/Accompanying Delegates	INR 1500	INR 1700

Conference and Annual Group Meeting (4 to 6 Sep. 2023) registration fee detail

Scientist from AICRP Safflower & Linseed for attending conference and AGM	INR 7,500
---	-----------

Bank Account details :

Name of the Bank :	UCO Bank
IFSC Code :	UCBA0001794
Name of Account :	Agricultural Education and Research Foundation
Account No. :	17940110033203
Branch :	Krishak Nagar, Raipur (CG.)

Accommodation and Travel

Limited accommodation is available in university guest houses. On request, the organizers will arrange for reservation of accommodation to the participants provided the payment is received well in advance. Most of the hotels are located within a radius of 5 km of conference venue on reasonable rates ranging from INR 1000.00 to INR 5000.00 per person per day. The delegates are requested to intimate their mode of travel and type of accommodation required as early as possible.

Conference location at Raipur

Raipur is the capital of Chhattisgarh State. Chhattisgarh is a natural resource prosperous and an important electricity & steel-producing state of India. Raipur is well connected with other parts of the country by air, rail & roadways. City bus and cab services exist for the intra-city travel. The venue of the Conference is Swami Vivekananda Auditorium, IGKV, Raipur. During the conference, Raipur will be experiencing rainy/cloudy weather with day time temperature of about 32° C and night temperature of about 24° C.

Host Organization

Indira Gandhi Krishi Vishwavidyalaya was established on January 20, 1987 in Raipur to provide a new dimension to the agricultural development of Chhattisgarh state, which is known as the "Rice Bowl". The main aims of the university are to provide education, research and extension in Agriculture, Agricultural Engineering and Horticulture subjects. The
