Sub.: Invitation to participate in ICAR-IIOR Industry Interface Meet - Reg.

Dear Sir/Madam,

Greetings!

I am happy to inform that ICAR-IIOR, Hyderabad will be organizing Industry Interface Meet on 12th February, 2024 at ICAR-IIOR, Hyderabad.

The main objective is to showcase, promote and commercialize the recently released varieties/hybrids of oilseed crops, biopesticide technologies and values addition technologies of oilseeds developed by this Institute and AICRP on Oilseeds. The ICAR-IIOR technologies are highly relevant to the industries and other agripreneurs who are engaged in the production of seeds, biopesticide formulations for plant growth promotion and pest and disease management and other oilseed based products.

We invite your participation in this interface meet, where ICAR-IIOR provides interactive platform for the prospective entrepreneurs to interact with the innovators and enter into MoU/contracts. ICAR-IIOR shall facilitate suitable entrepreneurship and handholding for start-ups and stakeholders. **Kindly confirm your participation on or before 31st January 2024.** We look forward to your participation and promotion of enabling technologies in oilseeds and biopesticides for the benefit of farming community across the country.
