

G E Atre, worked as Jr pathologist on All India Co-ordinated Research Project on Oilseeds (Safflower) at Nimbkar Agricultural Research Institute Phaltan from Oct, 2 2014 to June, 30 2017. I request for your time and kind attention to the payment issue, Monthly Salary made by the Institute rupees of 25000 per month but the payment allowances release from ICAR-IIOR, Hyderabad project are more than the Institute pay to me. Payments difference has not been made since Oct, 2014 to June, 2017. I dont know how they utilized the funds received from ICAR-IIOR, Hyderabad. Following are the my requirement

- 1) Demand of funds under AICRP on Safflower for the period of Oct, 2014 to June, 2017 for jr pathologist from Nimbkar Agricultural Research Institute, Phaltan
- 2) Release of funds under AICRP on Safflower for the period of Oct, 2014 to June, 2017 under for jr pathologist head for Nimbkar Agricultural Research Institute, Phaltan. (Details per month during tenure)
- 3) What is the remaining amount which is not release for jr pathologist.
- 4) Actual Payment made by Nimbkar Agricultural Research Institute, Phaltan for Jr Pathologist during period (Oct, 2014 to June, 2017).
